◆ Essential guide - Application for the preliminary programme ◆

What is Preliminary Programme?

The Preliminary semester is for students **who would like to prepare themselves better before starting a BSc training** in Computer Science in English. The Preliminary semester includes lessons in Mathematics, Informatics and English language.

What kind of degree will I get at the end of the course?

You will only get a declaration of completion, but please note, **you will not receive any kind of certificate**. How much does it cost?

The tuition fee is **3,200.00 EUR** per semester, needs to be paid by semester start OR in case you need it for a visa, until the deadline of the visa administration.

Furthermore you have to pay **150 EUR** application fee. (It is a NON-REFUNDABLE one-time fee) It is the fee of the administration costs of your application: to check your documents, organise your test and interview. Without this fee your application will be rejected.
