13.05.2016.

Stipendium Hungaricum is a scholarship program for foreign students, which was launched by the Hungarian Government in 2013. The program aims to promote cultural understanding, economic and cultural relations between Hungary and other countries.

The application is OPEN.

The application deadline for the academic year (2026/2027) is January 15 14:00 (CET) .

The scholarship can be awarded to citizens from **almost 80 countries and sending partners** for **full degree or partial** (exchange) studies.

The benefits for scholarship holders include:

Exemption from paying application and tuition fees,

Stipendium Hungaricum

HU EN

Use of the services of the library free of charge.

The amount of the scholarship as of 2020 is HUF 43,700 for students in preparatory, bachelor's and master's programmes, and HUF 140,000/month during the first two years (during the training and research period) and HUF 180,000/month during the second two years (the research and dissertation period) of doctoral studies.

ELTE offers a wide range of **degree programs** to international students, and almost all of them are available for Stipendium Hungaricum scholarship holders in the fields of Education Sciences and Psychology, Humanities, Informatics, Science, Social Sciences, Primary and Pre-School Education and also Business.

Studies are offered on the following levels:

preparatory course in the Hungarian language (non-degree; 1 year)

Bachelor's programmes (undergraduate; 3 or 3 and ½ years)

Master's programmes (graduate; 2 years)

Doctoral programmes (2+2 years)

Further conditions and rules apply. Please read the Call for Application carefully before applying.
