Description

Artificial Intelligence specialization provides a firm theoretical and software technology underpinning to Artificial Intelligence studies. These are both relevant for progressing fast in the field of AI, since software languages, theory and applications are advancing quickly. A particular part of the training is the Laboratory that give 10 credits for working in the finest industry initialized projects from problems in ethology and environmental studies to self-driving cars. This latter is supported by Robert Bosch, Ltd. Key courses include machine learning methods with emphasis on state-of-the-art deep learning technologies, deep reinforcement learning for the optimization of decisions, affective computing for human-machine interaction and collaboration that involves dialogue systems, a new course of the AI specialization.

Students of the specialization take part in student competitions and in research topics towards the development of their diploma works. Industrial connections through the Laboratory and research-oriented diploma works serve the students to find high quality jobs on the market.

How much does it cost?

The tuition fee is **3,200.00 EUR** per semester, needs to be paid by semester start OR in case you need it for a visa, until the deadline of the visa administration.

Furthermore, you have to pay a **150 EUR** application fee. (It is a NON-REFUNDABLE one-time fee) It is the fee of the administration costs of your application: checking your documents, organising your interview. Without the payment of this fee your application will be rejected.

- **Bachelor-level degree.** If you don't have a final document yet (because you're in your final year), you can send it later, as soon as possible, but please send us your transcript anyway.
- **Transcript of records**
Without these documents the admission committee rejects your application!
- Copy of **any further documents** - e.g. computer courses, language exams etc.
- A **curriculum vitae**, listing your personal data, your educational background, and work experience (if you have), and mentioning whatever you find relevant
- A **motivation letter** describing your situation and objectives with applying to our University's training
- A copy of the main pages of your **valid passport**.
- A **passport photo** not older than 3 months.
- Proof of application fee transfer – 150 EUR

In case the academic transcript of your Bachelor studies is missing, your application will be rejected.

In case any of the necessary documents is still missing by the application deadline, your application will be rejected.

If a document is not in English, please send both a copy of original and an official English translation, otherwise we cannot evaluate it.

Of course, you must take the original entry qualification documents along with you when you finally come to the university.

In case you apply for more than one training programme in an application period, only one application fee needs to be paid.

What happens next?

In case you paid the application fee, your documents will be checked

In case you have uploaded everything correctly, you will get an invitation e-mail for an online test to your e-mail address registered during the application process, and we organise you an interview in English to check if you have an intermediate level language knowledge.
