

17.10.2024.

Description

There is a growing expansion of the financial industry. Rapidly expanding startups are increasingly looking for ambitious and capable professionals. Fintech program is suitable to satisfy the growing demand of experts in the Fintech domain.

This program is recommended to applicants who

- want to gain expertise in one of the most fascinating and fastest-growing areas of Computer Science and Business Informatics, Financial Technologies. As computers are given the ability to think, learn, and adapt, in the near future artificial intelligence will impact wide segments of daily life including Finance and Banking.

- want to partake in innovative and well-grounded education for the next generation of service designers and software architects capable of designing and engineering novel and innovative software systems.

- want to conduct analyses to detect, discover and better understand the abounding data around us generated by Enterprise Information Systems, Information Systems dedicated to Finance, Banking and Payment Industry, Social Media, Manufacturing Systems, Healthcare, support systems for Logistics, and countless others on a daily basis.

- want to be a responsible system analyst and developers taking into account the cybersecurity issues with the right knowledge and skills to be able to contribute to make the digital world a safer place.

How much does it cost?

The tuition fee is **3,200.00 EUR** per semester, needs to be paid by semester start OR in case you need it for a visa, until the deadline of the visa administration.

Furthermore, you have to pay a **150 EUR** application fee. (It is a NON-REFUNDABLE one-time fee) It is the fee of the administration costs of your application: checking your documents, organising your interview. Without the payment of this fee your application will be rejected.

HU EN

IMPORTANT! Before submitting your application, please double check your personal data AND the e-mail address. This will be your official e-mail address, we will write you information letters ONLY onto this e-mail address. In case you would like to change your e-mail address later, please write an e-mail to coordinator@csmcsc.elte.hu

Please, sign in at the site and upload the following application materials wholly:

- **Secondary school certificate** (GCE / GCSE / ...)
- **Bachelor-level degree.** If you don't have a final document yet (because you're in your final year), you can send it later, as soon as possible, but please send us your transcript anyway.
- **Transcript of records**
Without these documents the admission committee rejects your application!
- Copy of **any further documents** - e.g. computer courses, language exams etc.
- A **curriculum vitae**, listing your personal data, your educational background, and work experience (if you have), and mentioning whatever you find relevant
- A **motivation letter** describing your situation and objectives with applying to our University's training
- A copy of the main pages of your **valid passport**.
- A **passport photo** not older than 3 months.
- Proof of application fee transfer – 150 EUR

In case the academic transcript of your Bachelor studies is missing, your application will be rejected.

In case any of the necessary documents is still missing by the application deadline, your application will be rejected.

If a document is not in English, please send both a copy of original and an official English translation, otherwise we cannot evaluate it.

Of course, you must take the original entry qualification documents along with you when you finally come to the university.

In case you apply for more than one training programme in an application period, only one application fee needs to be paid.

HU EN

Once everything is done and your results exceed the expected level, you will receive a Letter of Acceptance via the application site.

With the Letter of Acceptance you can apply for a visa.

How to pay the application fee of 150 EUR? - [Essential guide](#)

Open the [official payment platform](#) of ELTE.

Accept the privacy notices at the bottom of the page.

Then click on Start Shopping.

Select the Faculty (Faculty of Informatics) from the drop-down menu,

then the payment title (application fee),

then add the related study programme in the Subtitle section.

Click on To the Cart.

The cart summary will appear on the right-hand side of the screen. If you selected the right fee, click on Next.

Fill out the Billing data.

IMPORTANT!!! Fill in following Notice: MSc in Computer Science, E10204/18

Without the correct comment, your payment will not be accepted!

then click on Go to Payment.

Check your billing information; if everything is correct, click 'Pay'.

Rules regarding application fee:

The fee can only be paid via the ELTE Webshop.

Cash payment is not accepted.

The fee can only be paid in euros (EUR).

No other currency is accepted.
