

Info for Outgoing Erasmus Students

Eötvös Loránd University announces the invitation to apply for Erasmus+ student mobility programme for the 2026/2027 Academic Year.

Current calls for applications in the Erasmus+ programme

Application deadline: 23rd February 2026

Info workshop available here: [International opportunities - information sessions](#)

Contact at the faculty: erasmus@inf.elte.hu

Detailed information about Erasmus: <https://www.elte.hu/en/outgoing-mobility/erasmus>

Please note:

1. Stipendium Hungaricum students on level BSc and MSc are not eligible for Erasmus scholarship.
2. If you are fee paying student, you have to pay the tuition fee also in the Erasmus semester for the Faculty of Informatics.
3. In case of student exchange at a partner university you have to fulfill at least 20 credits at the partner university – if you cannot, the scholarship has to be paid back.
4. If your Aggregated corrected credit index is under 2,00, you are not eligible for Erasmus, if it is between 2,00-2,5 it is also very little chance to get the scholarship.
- Residence permit in the host country is your responsibility, also the health insurance + liability insurance for the whole exchange period.

HU EN

Letter of acceptance, and then you can apply.

In case of traineeship we do not work with strict deadlines: if you find a receiving company, you can apply.

The committee decides every 2 months about traineeship scholarship, so please apply 3 months before the planned beginning date of the scholarship.

Duration of the mobility: Minimum 60 days, maximum 150 days, at least 30 hours/week

Do not forget, that if you need additional financial support, you have to apply for it at the same time with the traineeship application!

<https://www.elte.hu/en/outgoing-mobility/erasmus/additional-supports>

There are 2 opportunities:

1. Traineeship during your studies: you have to be in active status, that means, you have to pay the tuition fee for ELTE as usual.
2. Traineeship after graduation (it is also for SH students possible): You have to apply before the date of the absolutorium. You can start the traineeship after the date of absolutorium. (It is no problem, if you start later, but you should finish it 1 year after absolutorium. You can apply for 5 months.

For the application you need to send to csaniko@inf.elte.hu following documents: application form, **Letter of acceptance** from the receiving company, residence permit, transcript of records, CV, motivation letter.

Optional: application form for additional financial support (if you do not submit this form, you cannot apply later for additional support.)
